268 SOUTH FINLEY AVENUE, BASKING RIDGE, NJ 07920 – C.E.E.B. #310050

TEL: (908) 204-2585 • FAX (908) 204-2582

PROFILE

COMMUNITY

Bernards Township is a suburban community of 27,140 located 28 miles from New York City. A high percentage of the parents are corporate leaders, financial executives, doctors, lawyers, and other professionals.

SCHOOL

Ridge High School is a four-year public high school with an enrollment of 1,700 students that prepares its graduates for a wide variety of post high school education placements.

ACCREDITATION

Ridge High School is accredited by the Middle States Association of Colleges and Secondary Schools and the New Jersey Department of Education. In September of 2009, the high school was recognized by the US Department of Education as a Blue Ribbon School for high academic achievement. The award was given to only 40 public high schools in the nation and was presented at a ceremony in Washington DC. Additionally in May 2008, Newsweek magazine named the high school as the number one comprehensive public high school in New Jersey and in June 2009 number 177 among the top 1,500 public high schools throughout the entire nation.

FACULTY

Bernards Township has a dedicated and highly trained instructional staff who welcome the challenges of its dynamic student population. Ridge High School values its 11:1 student-teacher ratio and 190:1 counselee-counselor ratio. Forty-five of the 152 instructional staff members hold bachelor degrees; 98 hold master degrees; and 9 have doctorates. The average number of years of professional experience in education among the instructional staff is 6.

CURRICULUM

The curriculum of the Bernards Township School District culminates with the high school program of comprehensive course offerings. The district takes pride in the level of academic rigor that is provided to students in all areas, from fine and performing arts to the most advanced science and mathematics classes. Nineteen Advanced Placement offerings and 30 courses offered at the honors level provide the students with expansive opportunities to challenge themselves beyond the college preparatory level. The students benefit from working with a faculty that stays current with pedagogical and practical instructional practices through graduate school attendance and through participation in the district's Staff College program. Students work closely with staff members during tutorial periods and through mentoring programs. A challenging curriculum, a supportive environment, and a staff with high expectations for student success are the ingredients that combine to produce graduates who are prepared to face the challenge of further education.

STUDENT ACADEMIC PERFORMANCE

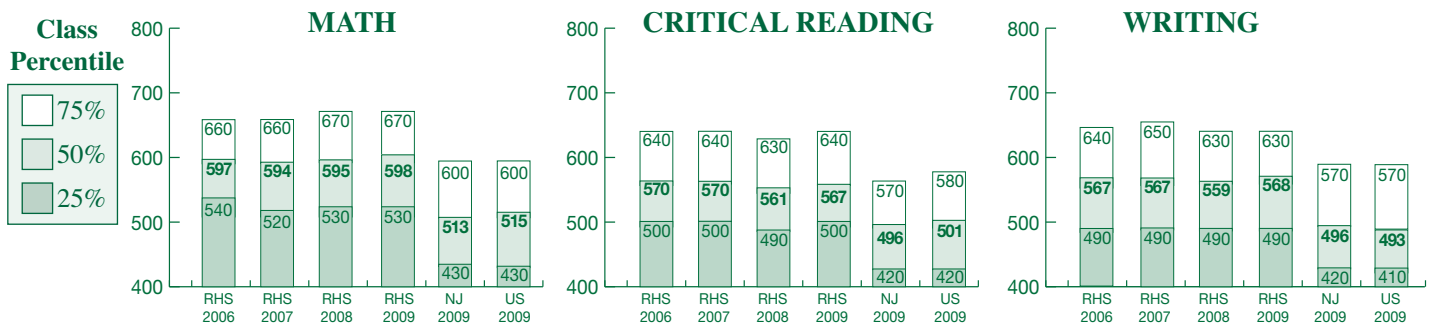

SIX SEMESTER WEIGHTED GPA'S

Weighted GPA Range	Class of 2007	Class of 2008	Class of 2009	Class of 2010
5.0 – 4.5	4 %	2%	3 %	5%
4.4 – 4.0	15%	14%	11%	12%
